

## Euro CTO Club - 10th Experts "Live" Workshop 2018

**Friday, September 14th, 2018**

**Registration: 07.00**

### Session I: 08.00 - 10.15

Session	Times	Day	Topic
1	08.00 - 08.05	1	Welcome
1	08.05 - 10.15	1	Live case 1 & Live case 2
1	08.45 - 08.55	1	CTO definitions: Do we need a new consensus?
1	09.30 - 09.40	1	Recent publications, key points from this year
1	10.00 - 10.10	1	Scores and CTO PCI

**Coffee break and exhibition: 10.15 - 10.30**

### Session II: 10.30 - 12.30

Session	Times	Day	Topic
2	10.30 - 10.40	1	Publications from the Euro CTO registry
2	10.45 - 10.55	1	Euro CTO trial update, comments, review of the study
2	10.55 - 11.05	1	How to define a success?
2	11.05 - 12.30	1	Live case 3
2	12.05 - 12.15	1	Sub-intimal crossing? Inside or outside the plaque? Does it matter?

**Lunch break and exhibition: 12.30 - 13.30**

### Session III: 13.30 - 15.30

Session	Times	Day	Topic
3	13.30 - 15.00	1	Live case 4
3	14.00 - 14.10	1	New wires: What we have, what is essential, what is on the horizon?
3	14.10 - 14.20	1	SoundBite wire (first in man results) or Modern parallel wiring
3	14.20 - 15.30	1	Live case 5
3	14.50 - 15.00	1	Guide catheter extensions and CTO PCI
3	15.00 - 15.10	1	Reverse CART techniques: Conventional, directed, extended, assisted, ...
3	15.10 - 15.20	1	Antegrade dissection and reentry: Case selection, tips and tricks to succeed

**Coffee break and exhibition: 15.30 - 16.00**

### Session IV: 16.00 - 18.45

Session	Times	Day	Topic
4	16.00 - 18.00	1	Live case 6
4	17.15 - 17.25	1	Rotablator and CTO (Rotablator's birthday: 30 years old in 2018)
4	18.00 - 18.10	1	Unusual cases
4	18.20 - 18.25	1	J CTO score $\geq 3$
4	18.25 - 18.30	1	Ipsilateral retrograde CTO PCI
4	18.30 - 18.45	1	Cases: Discussion

**Congress Dinner**

**Saturday, September 15th, 2018**

### Session V: 08.15 - 11.00

Session	Times	Day	Topic
5	08.15 - 10.45	2	Live case 7 & Live case 8
5	10.00 - 10.08	2	Proximal ambiguity, impenetrable cap
5	10.10 - 10.18	2	Ostial CTO in RCA, LAD and LCX
5	10.20 - 10.28	2	Antegrade dissection and haematoma
5	10.30 - 10.38	2	A stent inside the CTO segment
5	10.40 - 10.48	2	Crossing complex collaterals (which wires? Microcath?)
5	10.50 - 10.58	2	Retrograde microcatheter cannot pass the lesion

**Coffee break and exhibition: 11.00 - 11.20**

### Session VI: 11.20 - 13.15

Session	Times	Day	Topic
6	11.20 - 13.15	2	Live case 9
6	12.10 - 12.20	2	CTO and bifurcation: Tips and Tricks
6	12.20 - 12.30	2	Long CTO with tortuosity, calcifications: how to progress inside the CTO segment
6	12.30 - 12.40	2	IVUS: when to use, case presentation (how to analyse cap, dissection, lesions)
8	12.40 - 12.55	2	CTO and LV assist systems
6	12.55 - 13.10	2	State of the art: Viability / Ischaemia assessment

**Lunch break and exhibition: 13.15 - 14.00**

### Session VII: 14.00 - 16.30

Session	Times	Day	Topic
7	14.00 - 16.20	2	Live case 10 & Live case 11
7	14.50 - 15.05	2	A brief review of complications and Tips and Tricks
7	15.05 - 15.15	2	CTO in post CABG patients

**Coffee break and exhibition: 15.15 - 15.30**

7	15.30 - 15.40	2	Long-term outcome for patients with CTOs
7	16.25 - 16.30	2	Closing remarks

**ECC General Assembly: 17.00**
